

AL JAZEERA INTERNATIONAL CATERING LLC

OUR VISION

- **To be an organization striving for leadership in the Hospitality industry.**
- **To understand our customers, by designing and delivering products and services that exceed their expectations.**
- **To demonstrate care for our customers by anticipating their needs, caring for them, having an attention to detail and pursuing excellence.**
- **To develop a multi-ethnic workforce who have varied experience.**
- **To nurture our people through continuous learning and skill improvement.**
- **To be a preferred employer and service provider within our sector of operation.**
- **To be an organization conscious of its role in the community, supporting social needs and ensuring employment from within the local community.**
