MESSAGE FROM MANAGEMENT

Mr. Robby Thommy

Dear JICites,

"I am very pleased that we have completed another quarter in which we were able to prepare and distribute more than 115000 iftar and Suhoor meals across UAE during the Ramadan period, ensuring customer satisfaction and happiness. I would like to thank everyone for your hard work and perseverance for making sure everything went well.

In this Quarter our HR Team initiated innovation and idea management campaign with a core objective of reducing cost, increase productivity and simplifying process which again has strengthened the employee's commitment towards generating new ideas which will have a optimistic impact on all stakeholders of JIC.

Our HSET team have conducted campaign on World Food Safety Day by drawing attention and mobilize action to prevent, detect and manage food borne risks and improve human health.

"INVEST IN OUR PLANET" Earth Day campaign was also conducted to demonstrate our support for environmental protection.

We have also submitted our ACE strategy (Analyze Change Enhance) through International Best Practice award forum to share knowledge on our best practice to all stakeholders internationally. The presentation can be viewed on our social media sites.

We also participated in the 20th cycle of SKEA(Sheikh Khalifa Excellency Award) and have recently completed the assessment by the leading assessors of SKEA team. They did a thorough assessment on all our implemented process and system. Through this assessment process, as an organization we have been able to learn and improve many of our practices and process.

Furthermore, I want to inform everybody to stay safe and hydrate yourselves during the summer season where temperatures are expected to rise 50 degrees and above.

We look forward to another quarter as a continuous journey of learning and improvement. We will measure our progress against the highest standards and believe we can make the greatest impact when we maintain a deep commitment to addressing our challenges with transparency and integrity.

Warm Regards
