On 22nd March '2023 celebrated Global Event day - World water Day 2023 ,

'Just a drop brings sustainable safe water, sanitation and hygiene projects to communities, transforming lives'

Water is our most precious resource. We can't live without it. And nor can vastly numbers of species. But we are facing a global water crisis.

This year's theme is 'Accelerate Change'. JIC has conducted an awareness session to its employees and customers regarding the importance of conserving water to take action to tackle the global water crisis.
