MESSAGE FROM THE MANAGEMENT

Robby Thommy
Managing Director

Dear JICites

Once again, I am delighted to bring you the last quarter updates.

Last quarter was buzzing, with various site assessments and audits (GIBEA and OSHAD regulatory audit). The Arabia CSR awards committee has shortlisted us as one of the Top 3 applicants, under medium enterprise category and also, we are among the finalists for Hospitality Excellence Awards – 2018.

As we emerge towards an era of digitization, we take pride in launching the software for Management system (EWQIMS). The software was inaugurated by Mr. Salem Al Daheri, CEO of Al Jimi for Companies Representation on 24/09/2018 in the presence of JIC Board members and other Senior managers of Al Jimi and JIC. This software eliminates about 1800 paper checklists on a monthly basis. Our portal is upgraded for employees to interact online with HR team. These initiatives were launched to encourage digitalization and process automation across JIC.

Our office was expanded to support the ongoing operational activities.

We take this opportunity to bid farewell to one of our oldest employees Mr. Aman ulah Mohabat Khan. His services were acknowledged and wished him a wonderful retirement life.

With more assessments and activities ahead, the upcoming quarter is going to be even more exciting.

On behalf of JIC management, I wish you all a wonderful quarter ahead.

COMMITTEE'S PERFORMANCE

We, ERT and media Committee loved and enjoyed every moment spent at Thailand so much that we wanted to showcase the same to the other staff through a live performance. Depicting the Floating Market (One of the major attractions) as the background, committee members played the traditional drumbeats and delicious Thai Cuisine was served in the traditional attire. the efforts to portray the Thailand theme skit was thoroughly enjoyed and was much appreciated.
