Management News

Dear Jicites,

Ramadan Kareem. This Ramadan, I pray for your wellness and sending loads of prayers your way.

I take this opportunity to congratulate each one of you on the successful completion of our recertification audits for all 3 ISO standards and for the awards won in Brussels and Germany, this last quarter. These success were only possible because of the hard work, discipline and dedication, each one of you put into your respective jobs. It does not matter the size of accomplishment but reaching the goals we set ourselves individually and for the organization is more important. What helps us to stand apart as a successful organization is that we find solutions to our problems whereas others are busy finding problems.

I would also like to acknowledge with gratitude the tremendous work put in by each one of you, during this Ramadan period. Our customers are delighted with our services offered so far. So let us continue to do what we repeatedly do as a habit, "Chase Perfection...Catch Excellence"

I wish each one of you and your dear ones, EID Mubarak!
