Management News

My Dear JICties,

This quarter was filled with rewards and recognition spreading the celebrations across JIC, starting from the promotion ceremony of Purna Bahadur, of Stores Department for his successful completion of Sareeyah Development program to the Singapore Incentive trip for the Media committee to reward their dedication. I take this opportunity to encourage each one of you to pursue your tasks with dedication and perseverance to achieve greater heights. The celebrations continued in families of few staff as well.

I congratulate and wish Humayan, Loganathan, Venkatesan and Manivannan Paul a Happy Married life.

“Innovation is a process of daring to be different and turning Ideas into reality for fruitful results”. I proudly announce the launch of JIC Idea Management, a platform where all stakeholders can express their ideas, thoughts and suggestions which can be nurtured into a wonderful innovative practice. I encourage staff to utilize this platform to unveil your Creativity and together as a team be an innovator. I would also like to extent this opportunity to all our stakeholders to use this platform to be engaged with JIC.

With immense pleasure I would like to inform you that JIC has been shortlisted for the prestigious Arabia CSR awards, which will be held on 20th October 2016 and we are eagerly looking forward to winning this award once again. We are also looking forward to winning “The Middle East CSR leadership Award” to be held on 06th October 2016.

The team expressed their gratitude to the Management and this trip has boosted their confidence and others in the organization who are now more enthusiastic to exhibit their Performance by exceeding the expectations of the Management.

Journey with JIC

In my journey with JIC, I have climbed the ladder of success through hard work. I joined JIC in 2010 as a dining cleaner. My eagerness to complete the day's work, positive attitude and enthusiasm towards work got me an opportunity to prove my potentials. Management recognized my potentials and gave an opportunity to prove myself and grow through the Sareyah Development Program.

I underwent a stringent training program and amidst constant monitoring and final review by the management, I was promoted as a Trainee Supervisor. I am very thankful to the management for giving me an opportunity to prove my potential and also to grow along with the company. There is no shortcut to success and believe that nothing is impossible.

-Purna Bahadur
