Dear JICites

“Eid Mubarak”

It was a wonderful quarter covering the Holy period of Ramadan. JIC was able to reach out to a wider range of customers through Its Ramadan Offerings as part of the Year of the giving Strategy.

JIC participated in the International Business Excellence Awards 2017 and emerged the runner-up in SME and Food & Beverage Categories. I congratulate each member of the team for supporting the Company’s Journey towards Excellence. We have also completed our Awards Submission for the 10th Cycle of Arabia CSR awards and wait to hear the drums rollout.

We also completed the 8th cycle of third party audit of Integrated Management Systems. I also take this opportunity to inform you on the Approval of our management system with the OHSAD regulatory body. It was also an exciting quarter at the Health and safety front, we had celebration of various global days organized by the HSET department.

Upcoming quarter is much more interesting as we look at finalizing many of our new technology processes and innovations. We will also participate in this year’s awareness competition on the topic of “Heat Stress” organized by the OHSAD division of the Abu Dhabi Food Control Authority. As part of our ongoing commitment towards health and safety we have planned various campaigns, workshops and awareness sessions to be part of OHSAD’s Initiative.

Wishing you all the very best for interesting third quarter.

And once again “Eid Mubarak” and God bless!!!

-Robby Thommy (Managing Director)
