Dear JICites,

On behalf of the Shareholders and Board of Directors, I take this opportunity to wish each one of you and your families a very Happy and Prosperous New Year!

All through 2019, the team has worked hard and has made us proud.

Our entire team has strived to achieve organization wide excellence in both operations and sustainability. Our efforts were recognized by national and international awarding agencies. That's commendable!

The 19th cycle Sheikh Khalifa Excellence Award, 12th cycle Arabia CSR Awards for Sustainability Excellence and the Business Transformation & Operational Excellence (USA) were some of the key achievements ...

Additionally, we were also able to upgrade our ISO certifications with the latest versions of ISO 22000:2018 Food Safety & ISO 45001: 2018 Health & Safety along with an upgradation in our ICV certification, scoring from the ADNOC group of companies. We also once again partnered with various NGO's of the nations as key hospitality sponsors, such as the Emirates Environmental group & the Emirates Red Crescent in their various campaigns toward the environment & society. All in line with UAE's vision to enrich cultural diversity and coexistence.

It's indeed a moment of pride to know that these recognitions reiterate the high levels of dedication, commitment and compassion that each member of JIC pursues.

I take this opportunity to thank all our customers, vendors and other stakeholders for their trust and continued support. You have motivated us to raise our benchmark of operational excellence and organizational sustainability.

Looking ahead into 2020, we are excited to vie for the MRM, SKEA and other prestigious awards. We aim for the new year to be the year of excellence in "People" "Product" and "Process"

Once again on behalf of the JIC management, I take this opportunity to wish each one of you and your family a joyous 2020.
