

Message from Shareholder & Director of JIC

Dear JICites,
Ever since JIC was born, we have grown from strength to strength in a short span of time, and this was celebrated for over the years with various recognitions and awards that were won by JICites including the coveted SKEA in 2013.

JIC is the first Industrial Catering Organization to have won the SKEA in the UAE.

JICites are not only winners but also a great team with social commitments which they have established with the Blood donations, cleaning campaigns etc etc.

Surely these achievements have set out targets even higher and elevated the JICites as a special breed of achievers. Keep up the wonderful team work.

I wish all at JIC the very best for 2014 and I look forward to being associated with JIC for many more years to come.
