Management Message

Dear JICites,

We have come a long way in since 2008 and this edition marks the 50th Edition of the Forerunner.

It has always been an honor and privilege to extend my warmest greetings to each one of you for good health, safety and prosperity. I take this moment to share some wonderful activities of the third quarter for your reading pleasure.

I hope you remember our vision statement of "Be an Organization Striving for Excellence in customer satisfaction within Abu Dhabi region over the next decade in Catering food service". We want everyone who is working hard to ensure our vision comes true.

In addition, I take this opportunity to share that we have successfully completed our surveillance audit of all our ISO Certifications in Food Safety Management System, Environment Management System and Health & Safety Management System ensuring a continual improvement of our process and systems.

Now that summer is coming to an end and the weather forecast will be cooler than usual, we encourage everyone to start participating in the welfare activities organized by our Human Resource Department that will give you a healthy mind and body.

I was also delighted to hear that the Ministry of Labor conducted an awareness program for our staff to ensure awareness is being shared but if you have any concerns, you can always re-direct to the Human Resource department or use the Open Door Policy.

Lastly, I would like to thank you all for the incredible effort and dedication. I trust that the best is still yet to come in harvesting the fruits of all our past years of hard work.

I count on your continuous dedication and support to emerge as one of the Top contract food service company in Abu Dhabi region.
