And  
Happy New Year

### Mr. Robby Thommy

Shareholder and Managing Director

Dear J/Cites,

As we near the end of the year, I want to take a moment to thank you all for your hard work and dedication. This year has been filled with challenges and opportunities, and I am proud of everything we have accomplished together.

Thanks to all our residents and clients for a productive and successful year at JC. As part of continual improvement and commitment towards our customers and stakeholders, we would like to remind you of our vision statement "Be an Organization Striving for Excellence in customer satisfaction within Abu Dhabi region over the next decade in Catering food service". I would like specifically thank all of our employees, thank you for everything you do and have done for the company. We were able to achieve goals because of the efforts you put in and I thank you all for your continued dedication and excellent work throughout the year.

The "SPLASH 2025" was a successful event filled with lots of passion, dancing and singing. Every year we get so many new talents, which just shows us the senior management the amount of untapped potential inside of you. Please continue to exhibit the same energy and passion in your daily work and strive for Excellence.

As the new 2025 year is approaching, I would like to invite everyone who thinks outside the box to meet your supervisors and managers and request for an opportunity to grow. The only requirement is a keen mind for learning and understanding.

We have improved on our 2024 plan for the future by learning and understanding AI (Artificial Intelligence), new technologies and work models which will make ourselves even more efficient and more competitive than our peers in the delivery of our products and services to our clients.

On behalf of the senior management, we wish that all the hard work you have put in brings you rewards and success in life. I am ending this message with a something to reflect and continue in 2025, "if everyone is moving forward together, then success takes care of itself"

Thank you and God Bless. I wish this Christmas season and New Year bring an abundance of happiness and peace to you and your loved ones back home.

Thank you and God Bless.
